NLP in the Classroom
YOU FEEL…YOU LEARN

- Participants will engage in activities that will change their STATE and create a receptive learning environment.
PAINTINGS IN MY MIND

- Participants will be guided through the process of MENTAL IMAGING and how it can be used in the classroom.

- Participants will experience the process to completely understand its effectiveness.
IN YOUR SHOES

- Role playing takes on a whole new meaning as participants engage in some drama activities.
WHO AM I?

- A fun game that will end the session with participants building RAPPORT and playing a game all students will enjoy!
